In aid of Scottish Huntington's Association

ORGANISER INSTRUCTIONS

Before you begin

- Choose the teddy bear's name from the guess sheet, write it down and seal it in an envelope - to be revealed at the end!
- Decide on the cost per guess (if you choose £5 per stake the proceeds would be £320 as there are 64 names).
- Choose a prize. This could be the teddy bear, a donated prize, or a share of the funds raised. A donated prize is a great way to ensure every penny raised will go directly to supporting families impacted by Huntington's disease.
- Decide how people will pay for their guesses. You could use a collection tin, fundraising bucket, or an online payment method (such as a JustGiving page QR code). If using JustGiving, please ask participants not to select Gift Aid.

Taking entries

- Ask participants to choose the teddy bear's name from the guess sheet.
- Make sure their name and contact details are recorded next to their chosen guess.
- Collect payment for each guess.
- Participants are welcome to purchase multiple guesses to increase their chances of winning.

During the sweepstake

- Ensure each name is only purchased once.
- Keep the guess sheet secure and only accessible to those organising, as it contains personal information.
- Store all money collected securely.

Revealing the winner

- Once all guesses have been taken, reveal the teddy bear's real name.
- The person who chose the correct name wins the prize.
- Once winners have been contacted and the sweepstake is complete, destroy securely by shredding any record containing personal information.

Paying in money

- If using cash, count and record the total amount raised.
- Send the money to Scottish Huntington's Association through our website: https://hdscotland.org/get-involved/ways-to-donate/
- Email us to let us know how much you've raised so we can celebrate your success!

HELPFUL TIPS

✅ Display the teddy in a prominent location (like your work, community centre, or local shop)
✅ Encourage people to buy more than one guess.
✅ Share photos on social media to attract more participants.
✅ Have fun and thank everyone for taking part!

⚠️ **Planning to promote or run the sweepstake online rather than in person?**
Online sweepstakes and lotteries may be subject to specific rules and registration requirements. Please review the Gambling Commission's guidance before launching your fundraiser.
