## What is SHA?

Huntington's Disease (HD) is a neurodegenerative genetic disorder. This means it's caused by a faulty gene, passed from parent to child. If the faulty gene is inherited then the symptoms of the disease normally begin between 30 and 45. The person living with HD will begin to have problems with muscle coordination; they will find it harder to swallow, and they won't be able to speak properly. Most people will develop mental health issues such as depression and anxiety and they will find it harder to make decisions. This is a life limiting condition for which there is currently no known cure.

Scottish Huntington's Association is the only charity in Scotland dedicated to supporting those affected by Huntington's Disease. It is our mission to significantly improve the lives of people living with Huntington's Disease and to reduce the health and social care inequalities they face.

## Who can play?

In order to take part in 'The SHA Lucky Lotto' you must be over 16 years old and reside in mainland Britain.

## How much does it cost?

Each lottery ticket in 'The SHA Lucky Lotto' costs £6 per month. You can subscribe to as many tickets as you wish and the more lottery tickets you subscribe to, the better your chances of winning big each month!

## How is it drawn?

Each draw-day, all players are entered into a digital random generator, which randomly selects a first, second and third place winner. This ensures that our draws are completely fair and impartial, meaning that each player has an even chance of winning the jackpot!

Monthly draws will take place on the last Friday of each month.

## What are the prizes?

## How will I know if I've won?

After each draw, all three winners will be posted on the SHA website under 'The SHA Lucky Lotto' section and also on the SHA Facebook page. We aim to reveal the winners on the same day as each draw.

## How will I receive my winnings?

If you are one of our lucky winners, your cheque will be sent out to you via Royal Mail recorded delivery ASAP. We aim to post your cheque on the same day as each draw.
