

## SCOTTISH HUNTINGTON'S ASSOCIATION IMPACT AND ENGAGEMENT GRANTS

The Impact and Engagement Fund provides grants of up to £2000 to help promote findings from innovative and high quality studies carried out in Scotland.

It builds on the long-standing commitment of Scottish Huntington's Association to support Huntington's disease research and provide education and training.

Researchers and practitioners across all disciplines and at any stage of their career are welcome to apply.

For more information, including submission deadlines, visit [hdscotland.org/research](https://hdscotland.org/research).

Scottish Huntington's Association Impact and Engagement grants can be used to support engagement activities that disseminate and promote new knowledge of benefit to the Huntington's community.

## WHO CAN APPLY?

- Academic and practitioner researchers and students at any career stage who have produced or are carrying out the research in question
- Applicants must be working or studying in Scotland at a university, further education college, or health or social care setting including third sector organisations, statutory and private organisations

## EXAMPLES OF ACTIVITIES WE CAN SUPPORT

- Conference travel, accommodation and fees
- Knowledge exchange and public engagement work
- Developing film, audio or printed materials
- Delivery of education or training workshops
- Creation of a website or digital resource

## ASSESSMENT

Applications will be assessed by reviewers appointed by the Board of Trustees of Scottish Huntington's Association.

Visit [hdscotland.org/research](https://hdscotland.org/research) for submission deadlines and to apply.
